PRACTICES

CORPORATE FINANCE & TRANSACTIONS | We have more than 200 business attorneys who handle a variety of matters for leading businesses, including publicly traded, multinational, emerging growth and private businesses. Our Business practice focuses on public and private equity and debt financings, mergers and acquisitions, corporate governance, securities compliance, tax, licensing and technology agreements, bankruptcy and restructuring, employee benefits and compensation matters, and international business.

ENVIRONMENT, ENERGY & RESOURCES | We partner with businesses, utilities, financial institutions, ports, associations and individuals to facilitate project development (in such areas as renewables, mines, oil and gas and manufacturing), commercial transactions, permitting and compliance, legislation, regulation, litigation and policy. Our group addresses every medium—from soil to water to air, every species—from endangered to farmed, and every regulatory program at the federal and most state and local levels.

GOVERNMENT CONTRACTS | We represent major defense, information technology and civilian agency contractors in bid protests, claims litigation, False Claims Act cases, suspension and debarment, and internal and government investigations. We also provide counseling on a variety of issues, including commercial item contracting, domestic preference statutes, export controls/ITAR and the Foreign Corrupt Practices Act.

INTELLECTUAL PROPERTY | We have one of the largest IP practices in the United States. Our attorneys focus on patent litigation, IP litigation, patent and trademark prosecution and portfolio management, technology licensing, copyrights and trade secret, and unfair competition counseling for companies in a wide variety of technologies and industries around the world.

LABOR & EMPLOYMENT | Our attorneys counsel clients on issues such as employee discipline, background investigations and benefits, requirements under the Family and Medical Leave Act, the Americans with Disabilities Act, Title VII and COBRA, labor relations, trade secrets, immigration, workers’ safety and health, and workers’ compensation. We also handle litigation ranging from small, individual disputes to bet-the-company cases and national class actions. We are one of the few firms to have successfully tried multiple national class actions to defense verdicts.

LITIGATION | We have more than 400 litigators, dozens of whom are recognized by their peers as leading litigation attorneys in the United States. They manage major matters for prominent businesses in areas such as intellectual property litigation, with a particular emphasis on patent, copyright/trademark and other IP-related litigation, class action defense, white collar and internal investigations, antitrust and unfair competition matters as well as appellate and construction, privacy, insurance coverage, securities, corporate governance and professional liability cases.

POLITICAL LAW | Our attorneys provide advice on campaign finance, government ethics and lobbying regulation. We also represent clients before congressional committees and in agency and criminal investigations that involve the political process.

PRODUCT LIABILITY | Our Product Liability practice attorneys act as local, national and international trial and coordinating counsel for a large variety of manufacturers. In addition to trial work, we advise manufacturers on product liability containment and lawsuit avoidance, warnings, warranties, recalls and compliance with government regulations.

REAL ESTATE | We represent all parties involved in commercial real estate, including developers and owners of, and lenders to, hotels, housing developments, mixed-use projects, corporate campuses, retirement communities, shopping centers, industrial facilities and public/private developments, nationally and internationally.

TRUST & ESTATE PLANNING | Our attorneys assist clients with estate planning, probate and trust administration. We also help coordinate investment management services for individuals, who range from owners of closely held businesses and entrepreneurs to senior officers of public companies.
