Logging into Zoom

1. Open Zoom from your Windows 10 Start Menu or macOS Launchpad
2. Click “Sign In”
3. Enter the Classroom’s Username and Password that was sent to you by The Office of the Registrar or The Office of Information Technology, click “Sign in”. IT has established Zoom accounts specifically for instruction, which will allow us to help managing publishing and recording. Although you may have an individual Zoom account—you should not use that account for these purposes, but use the account provided to you for instruction.
