Start your Scheduled Class on Zoom

Once you are logged into Zoom using the Classroom’s Username and Password

1. Click the “Zoom Invitation” in the Announcement section of your Canvas course
2. Scroll down until you see “Join Zoom Meeting”, click the link
   a. If clicking the link doesn’t work, copy/paste the link into your web browser
3. Once Zoom has started it will ask you which audio you would like to use, your options are:
   a. Call Zoom by phone
   b. Use your Computer Audio
   c. Have Zoom call your phone
4. Video from your Webcam should show up here
   a. If it doesn’t, check your settings using this upward pointing arrow
5. If people aren’t able to hear you or you cannot hear people in your class, check your settings using this upward pointing arrow
